Together, we can ensure that this historic landmark remains a beacon of hope, a place of love, and a symbol of our community's strength.

For nearly six decades, our beloved Cathedral has stood tall, weathering harsh Thunder Bay winters and preserving the cherished memories of countless families. But now, time has taken its toll, and the Cathedral's roof is in desperate need of repair. The once-sturdy rubber membrane that protected this historic treasure is peeling away, leaving it vulnerable to leaks and structural damage.

We can't let this iconic symbol of Thunder Bay's rich heritage suffer any longer! The Cathedral is not just a magnificent architectural masterpiece; it holds within its walls the echoes of warm embraces, joyous celebrations, and heartfelt farewells of generations past. It has been a sanctuary of love and hope for families from all walks of life.

But without immediate action, this irreplaceable piece of our history could be lost forever. That's where we need your help! By supporting the Cathedral's roof repair project, you'll be ensuring that future generations can continue to create their own cherished memories within its hallowed halls.

The scope of this crucial restoration project spans three phases and comes with a total cost of \$2.9 million. We understand that each person's ability to give is unique, and any contribution, no matter the size, will make a significant impact.

Your donation will go beyond just fixing a roof; it will be a testament to your commitment to preserving the heart and soul of Thunder Bay. Join hands with us, and let's bring back the Cathedral's former glory. Your generosity will resonate through time, shaping the lives of families in Thunder Bay for generations to come.

Together, we can ensure that this historic landmark remains a beacon of hope, a place of love, and a symbol of our community's strength.

Donating Securities

Donating securities has distinct benefits including:

Tax Receipt for the value of securities when received & no tax on any capital gains.

Receive a Tax Receipt

Since St. Patrick's Roman Catholic Cathedral is a charity, **a charitable donation tax receipt** will be issued for the full value of the security on the day it is received.

Eliminate Capital Gains

When you donate your securities to a charity like St. Patrick's Roman Catholic Cathedral, the **capital gains tax is eliminated**.

Help St. Pat's

Your donation will **help St. Patrick's repair the roof** on this iconic building and let the church continue to support our community. Your donation will be recognized just like a cash donation.
